Here are your
new PICA
ID cards.

Welcome to Express Scripts!

We're the manager of your PICA prescription benefit for New York City Office Of Labor Relations Employee Benefits Program / Municipal Labor Committee. We'll help you quickly get the prescription care you need.

You can use the information on these PICA ID cards when you fill a prescription for an Injectable or Chemotherapy Medication.

Have a question about a medication? Call us! Our pharmacists are available 24/7 and will do their best to help you out. No matter how you order prescriptions under your plan — by home delivery or at a pharmacy in your benefit's network — we'll work with you and your doctors to help safeguard your health.

Please see other side for more information about home delivery with free standard shipping. >>>

See your PICA copayments/coinsurance and other important information online:

- Your retail pharmacy locator
- Your prescription coverage
- Opportunities to save money
- Automatic health and safety alerts

Get started today!

Activate your online benefits at:
express-scripts.com/register

Activation is easy. When you go online, be sure you have your new PICA member ID number handy.

Please don't wait. If you have questions or don't have Internet access, call us toll-free at the number on the back of your PICA ID card. One of our prescription benefit specialists will be happy to help.

Use the new ID card when filling prescriptions for you and any of your covered dependents.
You can also display a copy of the ID card anytime if you have the Express Scripts mobile app.

RULES GOVERNING USE OF THIS PICA CARD

1. This card may be used to obtain Injectable and Chemotherapy prescriptions.
2. This card is not transferable and remains the property of ESI.
3. Improper or fraudulent use of this card to obtain PICA prescription drugs is punishable by law.
4. Please direct any questions regarding the carve-out prescription program to your pharmacist or ESI.
5. The loss of this card should be reported immediately to ESI.
6. You will be responsible for any prescription purchases after your eligibility ends.

Note: If your doctor prescribes a medication that is not on your plan's preferred list, yet an alternative plan-preferred drug exists, we may contact your doctor to ask whether that medication would be appropriate for you. You'll usually pay less for a plan-preferred drug.

Take a medication every day? Your PICA benefit gives you a choice.

Home delivery from the Express Scripts PharmacySM

Up to a 90-day supply, delivered to your home, with free standard shipping.¹

You'll typically pay less for a larger supply of medication.

Easily refill orders on our website, with the Express Scripts app, or by phone or mail.

OR

A retail pharmacy in your plan's network

Up to a 30-day supply that you pick up.

Usually higher costs compared to the same supply via home delivery.

Refills at the pharmacy or over the phone.

For complete details about your PICA prescription benefit or to transfer a retail prescription to home delivery, visit express-scripts.com/register or call us at the number on your new PICA ID card.

¹Cost of standard shipping is included as part of your prescription benefit.
